

VINCOM GRAND PARK L5-17 | INTERIOR 3D

Separate dining and performance-line visualization / concept revision 31

Open left entry and two guest POS kiosks; front cooking line; clear right pickup and exit.

Concept rendering. Verify equipment models, clearances, table power and exhaust against final CAD/MEP.

SEASONAL DINING + BOH CONNECTION

Interior continuation from front performance line to rear communal seating

Late-autumn Korea left; snowy Korea right; a single decorative rear wall and staff-only BOH door.

Perspective is illustrative; the BOH entrance geometry is documented in the companion 3D drawing.
